A book is a dream that you hold in your hands.

-Neil Gaiman
Dear St. George’s Community,

At St. George’s International School, we believe that reading is the key to unlocking a world of knowledge, empathy, and creativity. We hope that our entire community of students, staff, and families continues to read throughout the summer months.

This is a list of recommendations to inspire emerging readers to advanced readers of English, French, German, Spanish, or Russian.

Titles in *blue* are available in the school library and may be borrowed during the academic year. Titles in *purple* have been added to the list in June 2020. Titles in *red* have been recommended by students.

For research tips and internet resources, please visit St. George's library website at [www.sgislibrary.ch](http://www.sgislibrary.ch).

Read what you like and like what you read: classics or comics, history or news, science or fantasy, digital or print...

Just keep reading!
